

What episode does kaneki and touka kiss

Touka's POV First Kiss. How does a first kiss taste like? This was always in my thoughts when I started dating Kaneki. Well now I know. My mind went blank the moment our lips touched. I didn't know what I was supposed to do. What do couples usually do when they kiss? Close their eyes? Hug them? I just froze there, like time has stopped. The moment our lips touched, it was like magic. I felt like I was in heaven and enjoyed the moment. I felt my face heat up. The kiss was softer than I had imagined it to be and it tastes kinda nice. (Since Kaneki's a half human and half ghoul) Being a half ghoul and human, Kaneki gives off a sweet scent that only he possesses. I can't seem to describe it but it makes ghouls go dizzy and crazy after smelling it, including me. I didn't want this moment to end. But it has to, eventually. The kiss was stretching a little too long and I felt dizzy from it as I didn't have enough oxygen going towards my brain. I pushed on his chest. At that moment, Kaneki pulled back and looked at me. "Sorry Touka-chan. Was it too long?" "I'm fine..." I said as I inhaled air. Kaneki smiled and gave me a peck on the lips. - END - First kiss >\\\< have you guys had your first kiss yet? Do comment down how they feel like because I haven't had mine yet and I want to know xD Sorry this chapter is so short!! I didn't know what else to write so... XD I was one of those who was thinking the kisses and it really fits, even before we saw Hide's face when I first saw that cut off panel of them in the sewer I was was freaking out like Holy Shit they did?? I know the one book they parallel even has a kiss, and Hide's wounds intense on his mouth, it feels pretty reasonable even if we joke for fun It is absolutely what happened. I'm 99% convinced that it's a kiss and the only reason it's not 100% is because it hasn't directly been shown to us. We will probably find out what happened exactly in the sewers when we find out Hide's full story. What I'm curious about is whether or not they talked anymore while in the sewers, maybe Hide admitted his love too? Because you've gotta remember that Kaneki remembers more than we were shown, since the flashback he has as Reaper shows more broken dialogue and the cut off kiss panel where Hide's hand is on the other shoulder. And it's not like Ishida forgot what hand it was because these two pages were right next to each other in chapter 68. Notice Kaneki's posture and Hide's hand? Yeah. It's a kiss and Kaneki is 100% in control of himself when it happens. And remembering this is what made Kaneki suicidal despite having made new friends and having Touka tell him "see you soon."Not to mention, the text on that page is not even what we see Hide saying originally. The only way he can be remembering those extra pieces of dialogue and Hide saying "eat me" is if he remembered beyond what we saw in original chapter 136:"Since there is only one way - eat me?" Then the next chronological thing would be Hide saying the second page of the :Re scene, perhaps repeating the "can you give it all you've got one more time" line. Then sometime after that you have Kaneki sitting up face-to-face with Hide, Hide's other hand is now resting on his other shoulder. His wrist is not bent or stressed, it's just resting there. "I'm going to show you that you're worth saving, worth living." How did you do that? How did you convince the man who just mere moments before then was flipping out over being consumed by his own cannibalistic power? Did you tell him something? Something about your history? Your feelings? Or did you only kiss him? I need to know. And if you think about it, Kaneki never actually says that he can't remember what happened. All you've got after that scene (in the original) is Kaneki saying:"When I came back to my senses Hide was gone and I was all alone. My injuries had healed and the sweet taste of blood coated my mouth." (Chapter 137). Chapter 136 wants to imply that he lost control of himself and ate Hide but the flashbacks in :Re tell us that that didn't actually happen and they spoke more after it cut to black. But somehow Kaneki had been rendered unconscious. How? Did Hide do it? Did whoever helped Hide get out of there do it? Because it wasn't Kaneki losing control. He didn't even eat Hide's nose or above his mouth and was delicate enough not to kill him while literally eating flesh off of his throat and chest. And then we have chapter 164: "Show it to me, I want to see what I did" Kaneki isn't even surprised here, he just looks sad. Ashamed. Like, sure its possible he doesn't remember how much he did but that is the face of someone who is owning up to what they did, not facing it for the first time.Kaneki is seriously not surprised at all by what he sees. He's just really sad. And then thanks Hide for showing him."You always protected me." How could Kaneki have known that if all he remembers was encountering his very human very normal best friend in the sewer and then suddenly he was gone and he could taste blood. I call bullshit. Kaneki knows way more than he is letting on about Hide. He probably also knows how Hide feels about him, too, if Hide brought it up in the sewers. He might not know everything but he sure as hell knows more than we do. Hinami's mother is killed by Mado. Touka attacks members of the ghoul investigation and kills Kusaba, but is wounded by Mado. The series is produced by Pierrot, and directed by Shuhei Morita. The anime aired from January 9, 2015 to March 27, 2015 on Tokyo MX, TVO, TVA, TVQ, MRO, BS Dlife and CS AT-X.[1] The season roughly adapts the second half of the Tokyo Ghoul manga. Unlike the first season, however, Tokyo Ghoul vanable everything from the manga. Rather, it mixes in the manga's events and overall plotline with an anime original story written by the manga author Sui Ishida.[2] The anime follows Ken Kaneki after he joins Aogiri Tree, as the group begins their battle against the CCG, who are trying to exterminate the ghoul organization. The score is composed by Yutaka Yamada, who also produced the score for the first season. The opening theme for the anime is "Munou" (無能, Munō, transl. "Incompetence") by österreich,[3] and the ending theme is "Kisetsu wa Tsugitsugi Shinde Iku" (季節は次々死んでいく, transl. "The Seasons Die Out, One After Another") by amazarashi.[4] TC Entertainment released the series in Japan onto six volumes from March 27, 2015 to August 28, 2015. A complete set containing all twelve episodes was later released on September 30, 2016.[5] Funimation licensed the series on their website, [6] produced an English dub as it aired, [7] and released the series on home video on May 24, 2016. Madman Entertainment licensed the series in Australia and New Zealand, simulcasted the series on AnimeLab, and released the series on home video on July 6, 2016.[8] Anime Limited licensed the series in the United Kingdom and Ireland, who simulcasted the series on Wakamin, and released the series on home video on June 13, 2016.[9] The series ran on Adult Swim's Toonami programming block in the United States from July 9, 2017 to October 1, 2017.[10] Episode list No. Title Original air date[11] English air date[12] 1"New Surge"Transcription: "Shinko" (Japanese: 新洸) January 9, 2015 (2015-01-09) July 9, 2017 An all-out battle takes place between the CCG and the Aogiri led by the One-Eyed Owl. Shinohara and Iwa take on the One-Eyed Owl using new guingue armour called aratas, but are unable to defeat him. As the building collapses, the CCG lose about half of their troops and suspect that it was a trap. Meanwhile, Touka fights her brother Ayato but she is badly injured and saved by Kaneki. To her surprise, Kaneki leaves the Anteiku group to join the Aogiri Tree. 2"Dancing Flowers"Transcription: "Buka" (Japanese: 舞花) January 16, 2015-01-16) July 16, 2017 The 9th and 10th wards are lost to the Aogiri, apparently led by a ghoul with an evepatch. Meanwhile Mado's daughter Akira, is assigned to become Amon's new partner. Touka decided to go Kaami University. Akira suggests that a ghoul organization is in control of the 20th ward, but also causes some friction among the investigators because of her abrupt manner. Now the coffee shop is reopened. Kaneki has now joined the Aogiri. 3"Hangman"Transcription: "Tsurushibito" (Japanese: 吊人)January 23, 2015 (2015-01-23)July 23, 2017 Kaneki and Ayato lead an Aogiri attack on a CCG convoy to rescue Naki, one of Jason's old cohorts who is being taken to the maximum security prison for ghouls known as Cochlea During the mission, they are attacked by two one-eyed ghouls in black and white striped masks. Touka pays a visit to the university which Kaneki used to attend, where she has an encounter with Hideyoshi Nagachika (Hide) who is now working as a messenger for the CCG. 4"Deeper Layers" Transcription: "Shinso" (Japanese: 深層) January 30, 2015 (2015-01-30) July 30, 2017 While Amon and Akira visit Cochlea prison to learn more about Aogiri's plan from Donato Porpora, the Aogiri commence their invasion of Cochlea and free a majority of the imprisoned ghouls. The two one-eved ghouls, Kurona and Nashiro Yasuhisa, meet up with the idiosyncratic inspector Juzo Suzuya. Kaneki frees the powerful ghoul Matasaka Kamishiro, commonly known as Sachi, a ghoul who had a personal relationship with Rize. However, Kaneki is attacked by him and badly beaten. Eto arrives and greets Shachi, asking if he would like to see Rize. Meanwhile, a worn out Kaneki begins devouring ghoul corpses in desperation. 5"Rift"Transcription: "Sakeme" (Japanese: 裂目)February 6, 2015 (2015-02-06)August 6, 2017 The battle at Cochlea intensifies on several fronts. Juzo defeats Kurona and Nashiro Yasuhisa, and Shinohara in his arata armour almost kills Ayato. Kaneki undergoes a transformation, generating an additional kagune after consuming dead ghouls, however he is beaten by Amon. Amon recalls the time Kaneki, then departs. 6"Thousand Paths"Transcription: "Senro" (Japanese: 千路)February 13, 2015 (2015-02-13)August 13, 2017 Juzo recalls the time when he was known as Rei, an arena executioner for the ghoul Big Madam, and then his acceptance into the CCG by Shinohara. Amon and Akira spend some time together and develop a better understanding of each other. Meanwhile the CCG prepare a task force to combat the One-Eyed-Owl and the Aogiri. Kaneki painfully tries to gain control his new kagune. 7"Permeation"Transcription: "Tōka" (Japanese: 透過)February 20, 2015 (2015-02-20)August 20, 2017 Hinami misses Kaneki but is uncertain what to do about it. Tsukiyama, who has been working as Yoshimura's spy to gather information on Kaneki, takes Hinami out to a cafe to cheer her up. Sen Takatsuki, Kaneki's and Hinami's favourite author, shows up at the cafe and tells Hinami that in her current state, she cannot help her Onii-chan (Kaneki). Takatsuki visits the CCG, and tells Shinohara about Anteiku so he pays a visit with Juzo and meets Yoshimura. Later, Kaneki appears at Anteiku and although Touka rushes there to see him, she beats him up instead of revealing her true feelings for him. 8"Old Nines"Transcription: "Kyūkyū" (Japanese: 旧九)February 27, 2015 (2015-02-27)August 27, 2017 Yoshimura tells Kaneki about his early life as the killer Kuzen, who worked for an organization known as V, and that the One-Eyed-Owl is actually his child, Eto, with a human woman, Ukina. When V found out about his family they killed Ukina while Kuzen and baby Eto escaped. Yoshimura then sends Touka and Hinami to safety with Yomo, suspecting that the CCG has discovered the truth about Anteiku and is planning an attack. Indeed, CCG's chairman Tsuneyoshi Washuu authorizes an attack on Anteiku in order to kill the Owl. 9"City In Waiting"Transcription: "Gaibō" (Japanese: 街望)March 6, 2015 (2015-03-06)September 10, 2017[a] The CCG staff prepare their testamentary notes in their own personal ways in preparation for a potentially fatal full scale assault on Anteiku. They launch the attack using conventional and specialized weapons and are greeted by the Devil Apes and Black Dober groups with Yoshimura and his friends - Yoshimura pretending to be the One-Eyed Owl. Despite being warned of the danger, Touka and Kaneki head to the 20th ward to assist their friends. 10"Last Rain"Transcription: "Shūu" (Japanese: 終雨)March 13, 2015 (2015-03-13)September 17, 2017 Kaneki's friends from Anteiku are defeated one by one but he arrives to help them. Juzo, Shinohara and a few other investigators finally defeat Yoshimura after a long, fierce battle. Amon faces off against Kaneki, but with victory in sight for the CCG, the real One-Eyed Owl appears before the investigators. 11"Deluge of Flowers"Transcription: "Itsuka" (Japanese: 溢 花)March 20, 2015 (2015-03-20)September 24, 2017 The One-Eyed Owl easily defeats Shinohara and Juzo, and when the Aogiri Tree joins the battle, the CCG is driven into a corner. Kaneki and Amon face off, and reluctantly engage in battle. Eventually the strongest investigator, Kishō Arima appears and attacks the One-Eyed Owl giving the CCG renewed hope to fight on. Badly wounded, the One-Eyed Owl consumes Yoshimura's body and escapes. Also wounded, Kaneki struggles towards Anteiku. He wakes up in the cafe and finds Hide trying to make coffee for him. In a post-credits scene, the Owl regurgitates a still alive Yoshimura behind an alley and goes back to her original form, revealing herself to be both Sen Takatsuki and the Owl/Eto. 12"Ken" (Japanese: 研)March 27, 2015 (2015-03-27)October 1, 2017 Kaneki thinks back to happier times in Anteiku. Hide reveals that he knew Kaneki was a ghoul after Nishiki attacked the two of them. As they talk, Hide collapses from loss of blood and passes out in Kaneki's arms, having been mortally wounded on the battlefield. Touka sobs when she arrives to see Anteiku burning down. She chases after Kaneki when she sees him walking out, but is stopped by Yomo, who states that Yoshimura's last request to him was for him to protect her. Kaneki walks toward the CCG, carrying Hide's body in his arms, and eventually comes face-to-face with Arima, who lets him lay down Hide's body before they both get ready to fight. The next morning, Kaneki, Hide and Amon have vanished along with the other CCG members, leaving only an unharmed Arima with his guingue impaled on the ground, most likely having won, leaving Kaneki's fate unknown. After the credits, it is shown that Touka has opened up a new café.
